

Name: Allison R. Deming

Course: IST 618 Information Policy

School: Syracuse University iSchool

SUID Number: 394248454

Required Tools: Adobe Acrobat

Short Description: This course mainly focused on the ethics and rights involved in Information and information access. We explored how policy is created through four papers and shared our opinions on the subject. This first paper is on Access and Affordability, the second paper is an Analysis of Big Tech, the third paper focuses on the Right to Repair one's own devices (such as cell phones, computers, and iPads), and the last paper is about the ethical dilemma of computerized Tracking Technology.
